Management is responsible for ensuring the Chain of Custody and Controlled Wood processes meets the Requirements. Our responsibility is limited to assessing whether management has demonstrated that the Requirements were met. Our assessment was conducted in accordance with FSC-STD-20-001 and FSC-STD-20-011 standards and, accordingly, included examining, on a sample basis, evidence supporting management's assertion that the Requirements were met.

A description of our responsibilities for the assessment of the management system is located at [www.pwc.com/ca/certificate](http://www.pwc.com/ca/certificate). The FSC® standard(s) can be found at <https://ic.fsc.org/en/document-center>.

Based on our assessment, the Chain of Custody and Controlled Wood processes met the Requirements, in all material respects, as of 10 March 2023.

The validity of this certificate is subject to satisfactory annual maintenance assessments.
